ARCHBISHOP BLESSES NEW MARIAN CONVENT OF ST. JAMES

FOLLOWING A SOLEMN BENEDICTION service in St. James church, Archbishop Cushing led a procession of 1200 parishioners to dedication ceremonies at the new Marian Convent of St. James on Appleton st., on the site of the original, wooden church building.

BLESSING THE NEW CONVENT, Archbishop Cushing is seen over the heads of a devout throng who later made a tour of the building. Flanking His Excellency are (l. to r.) Rev. John E. Sullivan of St. Camillus; Rev. George S. Brennan, pastor of St. James; and Rev. John P. Reynolds of St. James church.

Joe Bevins Is TMM Candidate

Joseph Bevins, chairman of the School Committee, took out a nomination paper at the Town Hall on Tuesday afternoon.

He told the Advocate when queried, "I am not running for School Committee but I do want to be a Town Meeting member from Prec. 8."

The Advocate's story of several weeks ago that Bevins would not re-run has been doubted in some quarters.

Bevins' decision to run for Town Meeting members is seen as confirmation.

[While there is nothing to prevent a man from running for several offices (Town Meeting member is construed as an officer under the Manager Act), the Advocate feels that Bevins' current action confirms his previous statement — Ed.]

Four parents in the Peirce school area appeared before the School Committee Tuesday in an appeal that the school's playground be put in usable condition.

The area has been gutted by erosion, it is said.

Appearing were: Shelton Wicker, as spokesman; Mrs. Joseph Lopez, president of the Peirce P.T.A.; Mrs. John Beila and Richard Rice.

The group was told that a study, made four years ago, had been turned over to the Town Manager.

The Committee pledged co-operation and support of the Warrant article the group said it would enter.

Foreign Students

Charles Downs, principal of the High school, asked for the Committee's position on a foreign student plan, sponsored by the American Field Service.

Under the plan a foreign student would attend a year here at the nominal cost of \$650. Downs told the Committee, sponsorship by service clubs and organizations would be sought if the plan was entered upon.

The Committee approved. After several months of dormancy, the question of open School Committee meetings was discussed again.

Brought to vote, the motion was defeated 5 to 4, it was announced.

RETIRE

Police Sgt. Thomas R. Pigott, 11 Russell st., was granted disability retirement by the Selectmen Monday night, effective Jan. 23.

A medical panel had approved the disability. Pigott will receive \$3093.38 annually.

Record Warrant Of 96 Articles; Workers \$104; Raises Permanent

To 'Persuade' Balking Residents

Residents who balk at giving the required information to census takers will be subject to "persuasion" by police, it was announced this week.

Starting yesterday, a police officer will accompany the census worker on call backs to certain homes, Town Clerk James J. Golden said.

Face Fine Or Jail

A fine of not more than \$500 or not more than one year's imprisonment is how the statute reads.

"While most residents have been extremely cooperative, it is unfortunate that such drastic action must be taken for these few," Golden said.

Bitten By Dogs

He said that the workers, in these instances, have been told: "we called the Town Hall" or "we gave the information to another worker," etc. All such statements have been checked and found false, Golden declared.

The workers have been required to make a "tremendous number" of call backs, it is said. The excellent weather and winter vacation trips have created many empty homes.

One worker, Pauline C. Miller, 11 Jason ter., was severely bitten by a boxer dog.

SCHOOL ARTICLES

The School Committee has entered 10 articles in the Warrant for the annual Town Meeting. They are:

— Proposal for the construction of the new No. Union school.

— same for the Florence Avenue school.

— money for plans and estimates for an addition to Junior High East.

— same for Junior High West.

— construction of a roadway from Mass. ave. to the Lowe auditorium and a large parking area at the southeastern front of the building.

— oil burners and incinerator at the Crosby school (under reconstruction).

— added funds to furnish the Crosby school.

— conversion to oil at Parmenter school.

— acquisition of more land near Parmenter school.

— same near Junior High East.

Planning Board Articles

The Planning Board has filed four articles. An area on Garden st. is asked to be zoned from Residence B to industrial, near Mass. ave. between Richardson ave. and Daniels st. an area from Residence B to C, for a parking area; an apartment house in the area bounded by Norcross, Hilton and Heath streets; a parking area in the rear of Mirak's apartment houses.

(Continued on Page 6)

The '55 Town Meeting will face a record 96-article Warrant. This astronomical figure was tallied Monday night when the Selectmen closed the book at 8 p.m.

Quite possibly this total may go higher since Town officials may insert articles after the deadline to the public.

\$104 For Employees

Topping the list are two articles for the benefit of Town employees. One article calls for an across-the-board raise of \$104 — two dollars per week — for all personnel from Grade I through Grade XVII. This excludes top bracket people who, it is felt, have received in the past few years or will during this meeting receive special benefits.

Coupled with this article is one which provides that the cost-of-living boosts be made permanent. Employees, under the formula, have received two raises, of three per cent each, in past few years. The last such raise was July, 1952.

\$15,000 For Females

Female clerical help on the Town's roster have been singled out for raises which will add \$15,000 to the annual payroll.

Town officials have been insisting that it is "extremely difficult" to obtain efficient office help at the present scale.

25 Pay Articles

In all, the Personnel Board has entered 25 articles in the Warrant. Many changes in classification and pay scale are embodied in these twenty-five, it is understood.

Raises for building custodians, engineers and welfare dept. workers have been recommended also, it is reported.

Women's Club To Hear Travel Talk

"Europe on a Shoestring", an illustrated lecture, will be presented by Emily Henry Bush, photographer, lecturer and teacher of color photography, at a meeting of the Arlington Woman's Club, next Thursday, Jan. 27, at 2 p.m. in the Town Hall.

Mrs. Bush will report experiences in Great Britain and traveling through some of its loveliest highways and seeing London in coronation garb, the rugged beauty of Northern Wales and the quiet charm and placidity of the English

lake country and the Castle walls in Scotland; thence to Belgium, Holland, France, Normandy, Brittany, Bavaria, Switzerland and by air to Spain.

Music will be furnished by the High school orchestra. Members of the Arlington Garden club will be honor guests.

In the Art Corners, examples of European art will be arranged by the chairman, Mrs. William H. Dickson and members of the committee.

50th Anniversary

At a reception held in their honor, Mr. and Mrs. G. Leslie Vianello celebrated their fiftieth anniversary on Wednesday, Dec. 29, in the fireplace room of the Park Avenue Congregational church.

Mrs. Alice Frederick of Arlington, and Mrs. Helen Randall of Springfield, assisted their parents in receiving 100 friends and relatives. Refreshments were served by members of the J.A.O. Bridge Club, of which the daughters have been members for many years.

Many letters and cards of congratulations were received, including one from Mr. Vianello's 96-year-old mother, who resides in Fresno.

Road Work Let

The long-awaited award of bids for the resurfacing of Appleton and Forest streets by the County Commissioners have been announced.

Low bidder, named by the Commissioners, for the combined jobs was William P. Capone for \$51,468. Quotations ranged as high as \$63,378 among the seven bidders.

Technically, the bid has not been awarded as yet because the Town makes the final bid under Chap. 90 rules whereby the Town and County pay one quarter each: the State, half the costs.

Manager Monahan said that because the County's 1954 funds are insufficient to pay its full share that a partial contract of around \$48,000 would be let.

Greeley Names Aides In Heart Fund Drive

Joseph P. Greeley, Chairman of the local 1955 Heart Fund Campaign recently announced the appointments of some members of his committee.

Treasurer of the February Campaign will be J. Wilbert Anderson; Clubs and Organizations Chairman, Russell T. Hamlet; Merchants Chairman, John P. Buckley of Buckley's Men's Store.

Jack Podguz, Cornelius F. Collins and John M. Peters will serve as Heart Sunday area chairmen.

Navy Reports Increase

There is a greatly increased activity at the Navy recruiting stations in this area. The Navy recruiting officer in the Post Office building, Boston, reports that he has already taken 236 applications for enlistments in January. This is a considerable increase, it is said.

At this time last year only 55 applications had been received while only 60 persons were enlisted at the Boston Station during all of last month, the Recruiting officer said.

IN MELODRAMA

Miss Mary L. Edwards of 23 Orlando ave., recently appeared in a melodrama entitled "Double Door" which was presented by the Dramatic club of the State Teachers college at Bridgewater.

Miss Edwards is a freshman at the college and takes part in many activities on the campus.

Polio 14 Per Cent Lower In This State

A report from national headquarters of the Foundation for Infantile Paralysis that the polio attack rate in Massachusetts this year was approximately 14 percent lower than the national average, could indicate that the Commonwealth's war against the crippling disease that strikes with cruel suddenness is gaining ground, according to Thomas Stotler, the Foundation's state director.

In 1949, when 1782 polio cases were reported, the attack here was 32 percent higher than the national average, he pointed out.

No Relaxation
"This area's workers for the March of Dimes, now preparing for their annual fund-raising campaign to fight, control and possibly prevent polio, should not let these figures encourage them to relax their efforts," the director warned. "It is impossible to predict where and when polio epidemics will strike."

He added that the job this time is bigger than ever because of a number of factors. For one thing, he said, evaluation of the Salk vaccine, administered to 440,000 children in the largest medical experiment of its kind ever conducted, is now in progress. Announcement of the vaccine's effectiveness, or lack of it, will be made in the spring of 1955.

Adults Afflicted
If it works, as much of it as possible must be made available for use during the year. That will require a substantial expenditure. If tests prove negative or inconclusive, March of Dimes funds will be poured into further research.

Another factor adding to the job's magnitude, the director pointed out, is the fact that in recent years adults are being felled by the disease in increasing numbers, and adults are usually stricken with polio's worst forms.

March of Dimes funds, Stotler declared, are available to all patients who need them. March of Dimes pays hospital bills, provides post-hospital treatment and helps polio patients rebuild their lives to become useful and productive citizens.

VARIA STUDY CLUB

The Varia Study club held its meeting of Jan. 10 at the home of Mrs. William D. Morse, 45 Pine Ridge rd.

Town's Oldest Native Resident Dies; Was 99

Mrs. Elizabeth Merrifield Peatfield, oldest native-born resident of the town, died Jan. 14 in the MacDonald Nursing Home, Pleasant st., in her 100th year.

Services, held in Saville chapel on Jan. 16, were conducted by the pastor of the Pleasant Street Congregational church, the Rev. John A. Heidt and the Rev. Laurence L. Barber, the immediate former pastor.

In his memorial tribute to Mrs. Peatfield, Mr. Barber said that there were three interesting facts in her long life: she had been a member of the Pleasant Street Congregational church for 84 years; she claimed to have been the first woman court stenographer in Boston; she had lived in the house where she was born, 284

Broadway, throughout her life. She was the widow of the late John J. Peatfield, a former Arlington dentist. She leaves several cousins.

Hardy P.T.A. Holds Mid-Winter Fair

On Jan. 11 the regular P.T.A. meeting was held at the Hardy school auditorium, with Mrs. Robert Douglas presiding. The Cub Scouts, under the direction of Herbert D'Arcy, presented the "Presentation of Flags", and a "Gold Rush" skit.

Mrs. John Magarian, chairman of ways and means, and her committee conducted a most successful Mid-Winter Fair. A prize will be awarded to Miss Belyea's room for having the most successful table.

Refreshments were served by the hospitality chairman, Mrs. Charles Ravagini and co-chairman, Mrs. Joseph Mantone.

RECENT BIRTH

Selectman and Mrs. George A. Harris have received word of the birth of a fourth grandchild last Sunday. A girl, Eileen Patricia, was born at the Newton-Wellesley hospital to Mr. and Mrs. John F. Sheehan III. Mrs. Sheehan is the former Patricia Jane Harris.

It is the first child for the Sheehans who reside in Natick where Mr. Sheehan works for the N. E. Telephone Company. Selectman and Mrs. Harris also have three grandchildren in Beaumont, Texas. Their other daughter, Mary Alice, is Mrs. Charles E. Jennings, whose husband's home was Belmont but who is now employed by the Magnolia Pipe Line Co. in Texas.

IN CONCERT TO AID BUILDING FUND

Miss Margery Bloch will make her debut as a concert pianist in this area when, in behalf of the building fund of the Arlington-Lexington Jewish Community Center, she presents a musical program at

Miss Margery Bloch

the home of her parents, Mr. and Mrs. Jacob Bloch, 372 Mystic st. on Wednesday evening, Jan. 26.

She will share concert honors with Richard Martin Wertheim, baritone, former coast-to-coast radio singer, who now makes his home in Lexington. Miss Bloch's program includes works by Bach, Brahms, Debussy, Prokofiev and de Falla. Mr. Wertheim, formerly known professionally as Richard Martin, will present "One World in Song", music ranging from German Lieder to English and American music.

Miss Bloch, a senior at Bard College, Annandale-on-Hudson, New York, has made several concert appearances in New York, including one at the Y. M. H. A. Concert Hall, New York City. She has also made several appearances in Dutchess County, New York, for special programs. Formerly of Malden, Miss Bloch studied with the late Lillian M. Paige of Boston and Paul Nordoff of New York.

Mr. Wertheim made his concert debut at Carnegie Hall in 1942, and since 1946 has been appearing for concert audiences throughout New England. He has made numerous nationwide radio appearances under the direction of Paul Laval.

Tentative Plans
Set For Town Hall

Plans for the new Town Hall Addition—being constructed at the rear of the building in a U-shape around the protruding "stage" portion of the Hall—call for large office spaces and feature movable metal partitions for easy expansion as needed.

Although specific office locations for the various departments have not officially been determined, a tentative floor plan is being used.

The floor plan for the ground floor provides for a small office, a laboratory, two large offices (probably for the Health and the Building Departments) a men's room with adjoining ante room, and a kitchen with an adjoining women's room.

Second floor offices are tentatively scheduled for the Park Dept. and the Tree Warden, with a very large office at the rear of the building for the Public Works Dept. A women's room with adjoining ante room are also planned for this floor.

Offices for the Blueprint Dept. and for the Surveyor are expected to be on the third floor. The Engineering Dept. will probably occupy the large office at the rear on this floor, and the additional three rooms will be used for storage space.

A \$145,144 contract for the addition was awarded to Rich Brothers Construction Co., Inc. on Jan. 2 and work was begun the same day. Date for occupancy has been set at Sept. 1, 1955.

Miss Fox Showered

Mrs. Walter Healy, assisted by Mrs. Rachel Oliver of Boston, were hostesses at Mrs. Healy's home on Gray st. recently when Miss Marilyn Fox, formerly of Arlington, was tendered a surprise shower.

Miss Fox opened her gifts amid a shower of pink rose petals. The decorations were evergreens and the table centerpiece was a replica of a wedding party in miniature surrounded by roses.

Refreshments included a bride's cake.

Club And Public Hear
12 Town Dept. Heads

"Meet Your Department Heads" was the theme of the meeting of the Arlington Woman's club, opened to the public last Thursday in the Town Hall.

Mrs. James R. Boyd, chairman, Legislation and Citizens committee, presented Edward C. Monahan, town manager, who acted as coordinator for eleven department heads, each of whom was allotted two minutes in which to set forth the duties and responsibilities of his office.

As Town Manager, Monahan stated he has the administrative responsibility of all elective officers; does all the purchasing for the Town and is responsible for maintaining in repair all public buildings.

George A. Harris, chairman, Board of Selectmen, forfeited his reporting time and asked the assembly to stand in silent prayer as a tribute to the memory of the late Ernest W. Davis, one of the Town's most prominent officials.

James J. Golden, town clerk, stated he is a statutory officer of the Town. His duties and responsibilities are prescribed by the Commonwealth. He is responsible for the orderly administration of all municipal affairs and is a member, ex-officio, of the Board of Registrars of Voters.

William O. Hauser, chairman, Board of Assessors, reported that the tax rate is "set" by the Board. He said that 45,262 bills to taxpayers for real estate, poll, motor excise taxes were processed by the Assessors' office last year.

Hauser said, "The Assessors do not make the tax rate. The Town Meeting does. We merely set the rate by mathematical procedure."

In the absence of the Treasurer and Tax Collector J. Wilbert Anderson, the Town Manager reported that the Treasurer is responsible for all funds of the Town and is personally liable for them. During the past year he handled ten million dollars in receipts and expenditures; six million as Collector of Taxes.

J. Philip Bower, agent, Board of Health, cited among the duties of his office the hospitalization for communicable and other diseases; milk inspection, premature baby care and the administration of the contract to collect garbage.

Substituting for Mr. Mansfield, chairman, Personnel

Board, Samuel R. Carlisle reported that all civil service procedure for departments under control of the Town Manager is now centralized in the Personnel Board which also assumes the responsibility of the employees Loyalty Oath. He reported that at the present time, 95% of the Town employees are under Civil Service.

John B. Byrne Jr., chairman, Planning Board, stated that a Land Use Survey of the Town has been made; acts on zoning changes and cooperates, and confers with the Selectmen on proposed street changes and with the School Department in connection with new school sites.

William F. Canty, supervisor, Parks and Recreation, pointed out that the recreation field included badminton, golf, bowling and the inception of a Golden Age program. On Saturdays, for the Fifth and Sixth Grade pupils a supervisor of Arts and Crafts is provided.

Sergeant Philip A. Sweeney, director, Civil Defense, stated that the duties of that office were to repair the damage done by fire, hurricane, floods, etc. At the present time he reported there are 1800 enrolled in Arlington. He spoke of the cooperation received from the Police, Fire, Welfare and Public Works Departments; the local Red Cross and ham radio volunteers. His closing remark was that he would like to see the Arlington Woman's club enroll as a unit.

James C. McCabe, acting inspector of buildings, reported that there were 462 building permits issued during the past year in the residential, business and industrial sections of the Town.

Francis O'Hara, acting superintendent, Public Works, stated his department is responsible for the construction and re-construction of streets and the sanding of same; inspection of sewers, removal of rubbish, ashes and snow.

A question and answer period followed.

Honor guests were the League of Women Voters. An art exhibit by the pupils of the public schools was arranged by Mrs. Marion I. Ford, supervisor of Art.

Dessert hour for members and guests was held at 1:00 p.m. with the Education and Topics committees acting as hostesses.

A short business meeting was held, Mrs. John King Berry Jr., presiding, at which it was voted to contribute to the March of Dimes.

Mrs. Joseph A. Keefe, chairman of music, introduced the Marian String Quartet of the New England Conservatory of Music, composed of Marian McCarthy, violin; Maude Sanroma, viola; Weenona Lander, violin, and Eleanor Diemer, cello, who played several selections of famous composers.

"MOTHERS MARCH"

Women willing to give one hour of time from 7 to 8 p.m. on Thursday, Jan. 27, are still needed for the famous Mothers March on Polio.

"As the 'march' is the nucleus of the fund raising campaign, volunteers are needed to insure the success of the drive.

The Arlington March of Dimes Committee asks those willing to give their services to contact Mrs. H. Spencer Dommiter of 38 Cliff st., or Mrs. Raymond McKeever of 47 Harlow st.

WILLIAM P. RILEY

William P. Riley, 74, of 62 Brooks ave., father of Sgt. William A. Riley of the Arlington police department, died Jan. 11 in Symmes hospital. He retired five years ago after fifty years service with the American Meter Company.

Mr. Riley leaves his wife; another son, James F. Riley in Arizona, and a daughter, Mrs. Barbara Witt of Arlington with whom he lived. The funeral was held Tuesday with a requiem mass in St. Jerome's church, Arlington.

To: Selectmen

We'd like to see you put an article in the Warrant to change the local traffic rules so that it would be illegal (and subject to fine) to operate MTA cars less than 200 or 300 feet apart in this town.

Bunched trolleys cause traffic tie-ups, reduces efficiency of service.

Just try and pass a slow moving line of three cars between Central st. and the Heights barns where the Avenue is narrow!

NOT TO RUN

Editor
Arlington Advocate
Dear Sir,

Because of my change of address I will not be eligible for re-election as Town Meeting Member in March.

I wish to thank all who supported me. It was a pleasure to represent the people of Precinct 14 and to attend the Town Meetings.

Although I have now married and built a home in Concord, I shall always be interested in Arlington affairs and in the friends who expressed their confidence in me.

Sincerely yours,
Lawrence D. Toomey

RECORD WARRANT

(Continued from Page 1)
gistered, voters asks that all firefighters and patrolmen of the Fire and Police departments be raised from Grade XII to XV (from a maximum of \$3,880.90 to \$4,114.64).

Because this article is presented by 10 voters, it is seen as doubtful whether this move has the blessing of the Personnel Board.

If the uniformed men win their request, then patrolmen working as inspectors have asked for an up-grade from XV to XVI, an increase of about \$240 per year.

Acquire RR Avenue
An article entered by the Selectmen asks that the Town obtain Railroad ave. (leading to the station) and property at the rear of the Old Town Hall from the B&M Railroad for the taken sum of \$300.

Wide use, during the summer evenings, of the flood lighted Reservoir field has shown, the Manager has stated, the need for an overpass over the railroad tracks. An article seeks such an appropriation.

Playground "Disgraceful"
It is understood an aroused group of parents will fight for their article, asking for improvements to the Peirce school playground.

They have called present conditions "disgraceful".

Probe For Springs
A unique article asks for \$1500 for a survey of the Heights Reservoir to search for possible hidden springs which have been sealed off by the muck.

It is planned that, if springs are found, the Mill brook will be diverted around the swimming area and the springs used as a source of pure water.

Study Manager Act
An article calling for "minor" revisions in the Town Manager act has been inserted.

When the Manager was asked this week whether the proposed changes call for increased or decreased powers of the manager, Manager Monahan said that he did not think so. Inserted by the Selectmen, the exact details of the article were not discussed between the Selectmen and himself, he said.

In his belief, the article seeks to eliminate some "imperfections".

Other Articles
Other proposals are: obtain tax title land at Lancaster rd. and Hibbert st. for a tot's play area; convey Summer street land to Symmes Hospital for an out-patient department; 2-truck garage at the Cemetery, (former one collapsed under hurricanes); disposal of two old fire pump trucks; to make the current Brotherhood Committee an official Town body; study of Town by-laws to eliminate inconsistent or antiquated rules; Christmas lights in the shopping centers; elimination by law of high speed aquaplanes from Spy pond.

WARRANT ARTICLES

(Continued from Page 1)

The Housing Authority has inserted one article, proposing old age housing. It is not known whether the final plan will be for one large unit or several, smaller, scattered ones.

The local Authority must get approval of the Town Meeting before it can begin negotiations with the State Authority, it is understood.

**Wallace Resigns As
Town Meeting Member**

Willard A. Wallace of Wildwood ave. resigned this week as Town Meeting Member from Precinct 8, a position he has held for 25 years. Mr. and Mrs. Wallace have had a summer place at Alton Bay, N. H. for a number of years and are now planning to make Alton, N. H. their permanent residence.

Mr. Wallace served on the Board of Public Works from 1930 to 1950. He retired from Republic Steel Co. where he was head of the engineering department, on Jan. 1.

He is a member of Hiram Lodge, A.F. and A.M., and a prominent member of the First Baptist church.

That Man About Town

By MAT

The Big news — we have learned from an unimpeachable source that Joseph Bevins, chairman, School Committee, has written for the annual Town Report: "now that I no longer am to be a member of the Committee . . ." or words to that effect.

In other words, the Advocate had it right three weeks ago when it headlined on Dec. 23: "Bevins Will Not Re-run."

As we hear it — Francis Coughlin (present Park Commissioner) will not run for Selectman. We believe he toyed with the idea. Also, Robert Brosnan (present Library Trustee) will not run for School Committee.

Rumors still persist that

Velma Brown will run for the Committee, yet MAT thinks not.

The sordid cases which come to light from time to time have some good by-products: a) they jar the complacent who feel everything is just lovely; b) they show the police and observant townspeople are on the alert; c) the Town of 45,000 looks pretty good because there are so few instances.

Precinct chairmen are the ones responsible for seeing to it enough candidates run for Town Meeting member. Democracy is based on free choice by election, not by appointment.

Legion To Hold Special Election

Post 39, American Legion, will hold a special election on Tuesday evening, Jan. 25, to fill vacancies in the offices of Senior Vice-Commander and the Executive Committee.

Candidates for the office of Senior Vice-Commander are Roger P. Duggan, Frank J. Priest and Richard Tashjian. John J. Cronin and Richard D. Medley Jr. are candidates for the one vacancy on the Executive Committee.

Polls at Legion headquarters will be open from 7 to 9 p.m. They will be under the supervision of John Henry Shea, chairman of the special election committee.

A smorgasbord supper and entertainment will be offered to members with paid-up 1955 membership cards tonight.

Daughter's Night

Members of the Women's Fellowship of the First Baptist Church, entertained their daughters and guests in the banquet hall on Monday evening, Jan. 17.

Mrs. Norman R. Jacobson and her daughters, Karen and Nancy, led a devotional service and greeted members.

Miss Josephine Durrell entertained the audience by describing and illustrating "Finger Painting."

Council Holds Annual Meeting

The seventh annual meeting of the Arlington Council of Churches was held in the vestry of the Universalist church on Jan. 7 with the president, J. Milton Washburn Jr., presiding. After scripture reading and invocation by the minister-at-large, the Rev. Milton Schadege, the president called for reports from the various committees.

Gayle W. Forbush announced a successful church census of the town, and the Social Action Committee announced certain plans for eliminating possible sources of juvenile delinquency.

Treasurer Robert E. Wasson presented a full report of the financial activities for the year and answered many questions from the floor. Rev. Halsey I. Andrews reported a most successful United Church Canvass in November.

Every Church Represented
A new plan for financing the activities of the Council was discussed and accepted in principle. During the discussion President Washburn pointed out the fact that every church in the Council was represented at the meeting.

A report for the United Church Women was read by Mrs. Virginia Anderson, secretary of the Council, in the absence of the chairman, Mrs. Earl E. Bolton. Miss Margaret Stoddard, chairman of the Religious Education and Youth Committee, reported that several interesting meetings have been held and that more attention and support is to be given youth activities with the joint advisory counsel of the Rev. Newell Booth and Miss Stoddard.

Several of the member churches have already distributed envelopes for contributions for "Testaments for the World" as requested by Mrs. Donna Morine, chairman.

COUNTRY STORE
St. Agnes Court, Catholic Daughters of America, will hold a Country Store sale on Jan. 24 in Legion hall at 8 p.m. Mrs. Resa Carroll is chairman. The affair is open to the public.

Arlington In Review

(Reprinted From The Files
Of The Arlington Advocate)

IN 1880 75 Years Ago This Week

The remark is so often made that Arlington is a dull place, that little is going on . . . the fact is that it is far from being dull, in fact each week is crowded full of amusement and recreation. It is true that not often is Town Hall thrown open, but other and less public places are almost nightly used, and our churches are coming up to a realization of their privileges as furnishing of amusement as well as leaders in other walks.

The storm which commenced at early evening interfered with the attendance upon Mrs. Woolson's fourth lecture, but had no perceptible effect upon the company assembled in Town Hall, where the Masonic fraternity held their first dancing party of the season.

The stubborn persistence of the Maine Democrats in a course of conduct subversive to the will of the people and of all the principles of popular government indicate, with unmistakable certainty, the resolve of the party to obtain complete control of the government at the end of the present presidential term.

N. J. Hardy catered for a swell society function last week Saturday afternoon, and gave excellent satisfaction.

Among the automobilists who have gone south to participate in the meet at Ormond, Florida, were Mr. and Mrs. Louis Ross. The latter is perhaps remembered as Florence Keith. Mr. Ross is the inventor of a machine that has received considerable notice in the papers for its high speed.

The Arlington High hockey team was shut out in its game with Melrose Monday. The score was 6 to 0.

Today begins Arlington's first Thrift Week, opening appropriately on the birthday of Benjamin Franklin. The importance of thrift is being urged on Arlington citizens by three of the town banks as well as by two life insurance agents, whose companies offer one way of systematic savings; a shoe store, which says with Franklin that "A penny saved is a penny earned"; and a jewelry store offering sound investments.

"Unafraid: A Life of Anne Hutchinson", by Winifred King Rugg is, announced by Houghton Mifflin Company for publication next Friday. Mrs. Rugg, whose home is at 44 Kensington rd., is perhaps better known to Arlington people as Mrs. George B. C. Rugg.

The Board of Health is keeping

On My Oath . . . by Frank Caldwell

Honest, I wish I'd never become a tax expert. Everyone is bothering me with questions. I've grouped some of the most important ones and list them below, hoping they may be of help to you in these crucial hours:

Q. — I own a tavern on Dover st. What kind of papers should I fill out?

A. — A joint return.

Q. — Do you make enough money out of writing to pay a tax?

A. — Well, I do declare.

Q. — My wife made some cranberry sauce last year, also some apple sauce. We made \$11 on the deal. Should we report this?

A. — Income should be reported from ALL sources.

Q. — I am a lady of 35. What should I do to fill out my form.

A. — Now, REALLY.

Q. — I am a humorous person. I put down my income was between 1 a.m. and 2 a.m. each morning. Will they take that as a joke?

A. — Yes, they will also take you to the pokey.

Q. — I was in jail for five months and made \$8 knitting hot water bags. Do I have to pay taxes on the \$8.00?

A. — Anything under six months, use the short term gain.

Q. — I am 22 years of age. My girl says I have a terrible line. What should I do.

A. — Use lines 12 thru 15, if gains exceed losses.

Q. — My hair is falling out. I pay money each week to a specialist. In figuring this,

should I use the gross method?

A. — Do not use the gross. Use the net.

Q. — I have gyped on my income tax for nine years. I am a traveling salesman. What should I do?

A. — Keep right on traveling.

Q. — I am the man who predicted the end of the world. This is my profession. How shall I list myself?

A. — List yourself as a prophet. (Anyone wishing further explanation on this, send in name but no address.)

Q. — I just learned I over-paid \$260 last year. I copied the man next to me at the counter. What form shall I use.

A. — Chloro.

Q. — I was knocked down by a bull last summer. My friends tell me to list this as an accident. However, I think the bull did it on purpose. What is the procedure.

A. — Use another animal in your report. The income tax people are tired of so much bull.

Q. — Everytime I make out my income papers, my finger nails get broken. Do I have a claim there?

A. — Take your papers and your finger nails to the Income Tax office and they will file them for you.

Q. — I entered my self-employment tax from line 35, and added amount shown in "schedule D, line 8a and 4b. If my retirement was larger than my royalty, what should I do.

A. — Buy a smaller size, and don't bother me.

Heads Library Board

Hugh A. Mallon has recently been elected Chairman of the Robbins Library Board of Trustees, replacing Mark Bradford, who resigned as Chairman though remaining a Trustee.

Mallon has been a resident of Arlington since 1944 and for a number of years represented Precincts 5 and 6 as a Town Meeting member. He has been a member of the Library Board since 1952.

Bill Of Rights

"Making our traditional Bill of Rights come alive will be the purpose of the open meeting of the Arlington League of Women Voters in Library hall on Jan. 31," according to the chairman, Mrs. Edward F. Walker, 147 Massachusetts ave.

She has headed a committee which has been studying the relationship between individual liberties and the public interest.

Carl Johnson, well-known head of the history department of Arlington High school, will present the little known but interesting facts concerning the origin and reasons for the various articles in the Bill of Rights. He is a graduate of Clark University and has done graduate work at Harvard University. He recently escorted a group of essay prize-winning students on a trip to the United Nations in New York City to demonstrate the practical workings of that organization.

It is expected that a group of High school students will also participate in the program.

Plan Reception

Arlington Catholic Women's Club will hold its annual reception for new members on Wednesday, Jan. 26, at St. Agnes school hall at 8 p.m.

Margaret Brine will present a travelogue "The Old and New Middle East". A perennial traveler, she has traveled to Latin America, Europe and the Middle East, always in search of pictures related in art and culture.

The Club quartet will present "Songs We Never Forget". Members of the quartet are Mrs. George Cronin, Mrs. Allan Galpin, Mrs. Alvin Lynch and Mrs. Charles Cronin.

Co-chairmen for the evening are Mrs. Charles Maloney and Mrs. Patrick Herlihy.

ANNIVERSARY

Mr. and Mrs. John B. Furlong of 156 Palmer st. celebrated their twenty-fifth wedding anniversary on Jan. 12. A reception, given them by their three daughters, Patricia, Alice and Frances, was held at Carl's Duck-Farm on Route 1 in Saugus.

BISHOP P.T.A.
There will be a joint meeting of all the Study Groups in the school library on Thursday, Jan. 27, at 8 p.m.

William Benedict from the Massachusetts Society for Social Hygiene will speak on how to answer children's questions about sex.

The Youth Association Dance to be held in the Town Hall under the auspices of the Auxiliary Police Association, will be dedicated to the March of Dimes.

The collection of tin cans was suspended last week due to the fact that the collecting depot filled all available cars Wednesday. They were unable to secure additional freight cars because of the shortage of cars in this area.

Locals Down Strong Rindge

The Arlington basketball team lost to Waltham Tuesday, Jan. 11, 66 to 45, but bounced back into the winner's circle the following Friday.

Arlington won, 78-69, in a Suburban League game at Rindge. Rindge, the defending champion, hadn't been defeated in two years.

The Red & Gray played the entire game with five players with the exception of the last period when Bob Crowley fouled out. It was a tremendous team victory with all five players scoring in double figures. If Madigan, Crowley and Beardsley can maintain the fine play displayed in the game, Arlington should cause future trouble in the League.

Minister Cites Role Of Music In Worship

How the mother of a boy who gave his life in Korea was primarily responsible for the "I Believe", was the story which began the sermon delivered at last Sunday by the pastor, the Rev. George J. W. Pennington.

The minister related how all the great religions of the world for untold centuries have utilized music as a medium of human expression, a means of fulfilling man's spiritual needs. "The greatest shortcoming in reference to music in today's world," said the minister, "is committed by folks on two opposite extremes: those who so successfully have introduced elements of shoddiness into the current folk tunes of Americana, and those who so successfully have designed to hold the music of concert halls and churches aloof from the daily realities and, in snobbery, have created in fact a chasm between music and the modern scene."

This Sunday will be observed as Youth Sunday, members of the Universalist Youth Fellowship presenting the service and delivering the sermon, under the direction of Mr. James B. Fisher, Minister to Youth.

The ever-availability of the Christ, Truth will be brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (142:31): "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, to-day, as yesterday, Christ casts out evils and heals the sick."

The Golden Text is from Psalms (57:3): "God shall send forth his mercy and his truth."
